SENIOR YEAR

ROLLINS COLLEGE
The President
Campus Box 2711
Winter Park, FL 32789-4499
305/646-2120

December, 1987

TO MEMBERS OF THE CLASS OF 1988:

It is hard to believe that the years have gone by so quickly and that your Commencement is almost here. It is a pleasure for me, both personally and officially, to extend congratulations and good wishes on behalf of the whole Rollins College community. You have been a special generation of Rollins students, and you are a special class.

Yours is the last class to have used Mills Memorial Library, and you therefore are the "bridge" between the first and second centuries of Rollins College. Our Centennial Observance began in your Freshman Year with the dedication of the Olin Library on April 17, 1985. And now, as you graduate, Cornell Hall is almost finished, and the days of dodging traffic on Fairbanks Avenue are over. You have played an active role in exciting years of transition for Rollins College, and you have made many of your own contributions to the strength and stature of your alma mater.

During your years at Rollins a senior was named a Rhodes Scholar; TIME picked us as one of America's nine "nifty" colleges; U. S. News & World Report listed us as one of "America's Best Colleges"; and a Rollins graduate was awarded a Nobel Prize. And along the way we turned one hundred years old!

You have made these years very special, and you carry with you the affection and respect of all of us who remain behind. Stay loyal to Rollins and active in its affairs, and come back often! Good luck and God bless you.

Thaddeus Seymour, President

**Special Thanks to all students that contributed photographs

Dear Rollins Students and Faculty,

The Staff and I are very proud to present to you the 1987-88 Yearbook. We hope that you will enjoy this book as much as we enjoyed putting it together. This year we decided to add a new twist to the Tomokan by not having any features. Some students were asked what they wanted in the Tomokan, and what we got back was a resounding answer of, "more pictures"! I believe we did an excellent job in fulfilling this request. This year, the Tomokan is focused more on student life, and less on writing or stories.

Regardless of how hard any staff tries, there will always be those people who are not satisfied with the yearbook. To these unsatisfied individuals I have but one thing to say, "Get Involved"! Getting involved can be something as little as getting your class picture taken, submitting your own photos of friends, or something as big as writing an article for the yearbook, and even being a member of the staff.

After being the Tomokan Editor for the past year, I have learned a few things about campus life. One of the more important things I have learned is that Rollins could have a much better Yearbook if the book was to cover the whole year, beginning in September and ending in May. Students and Faculty should think about having a book like this.

It was a great pleasure for me to be the Editor of the Tomokan.

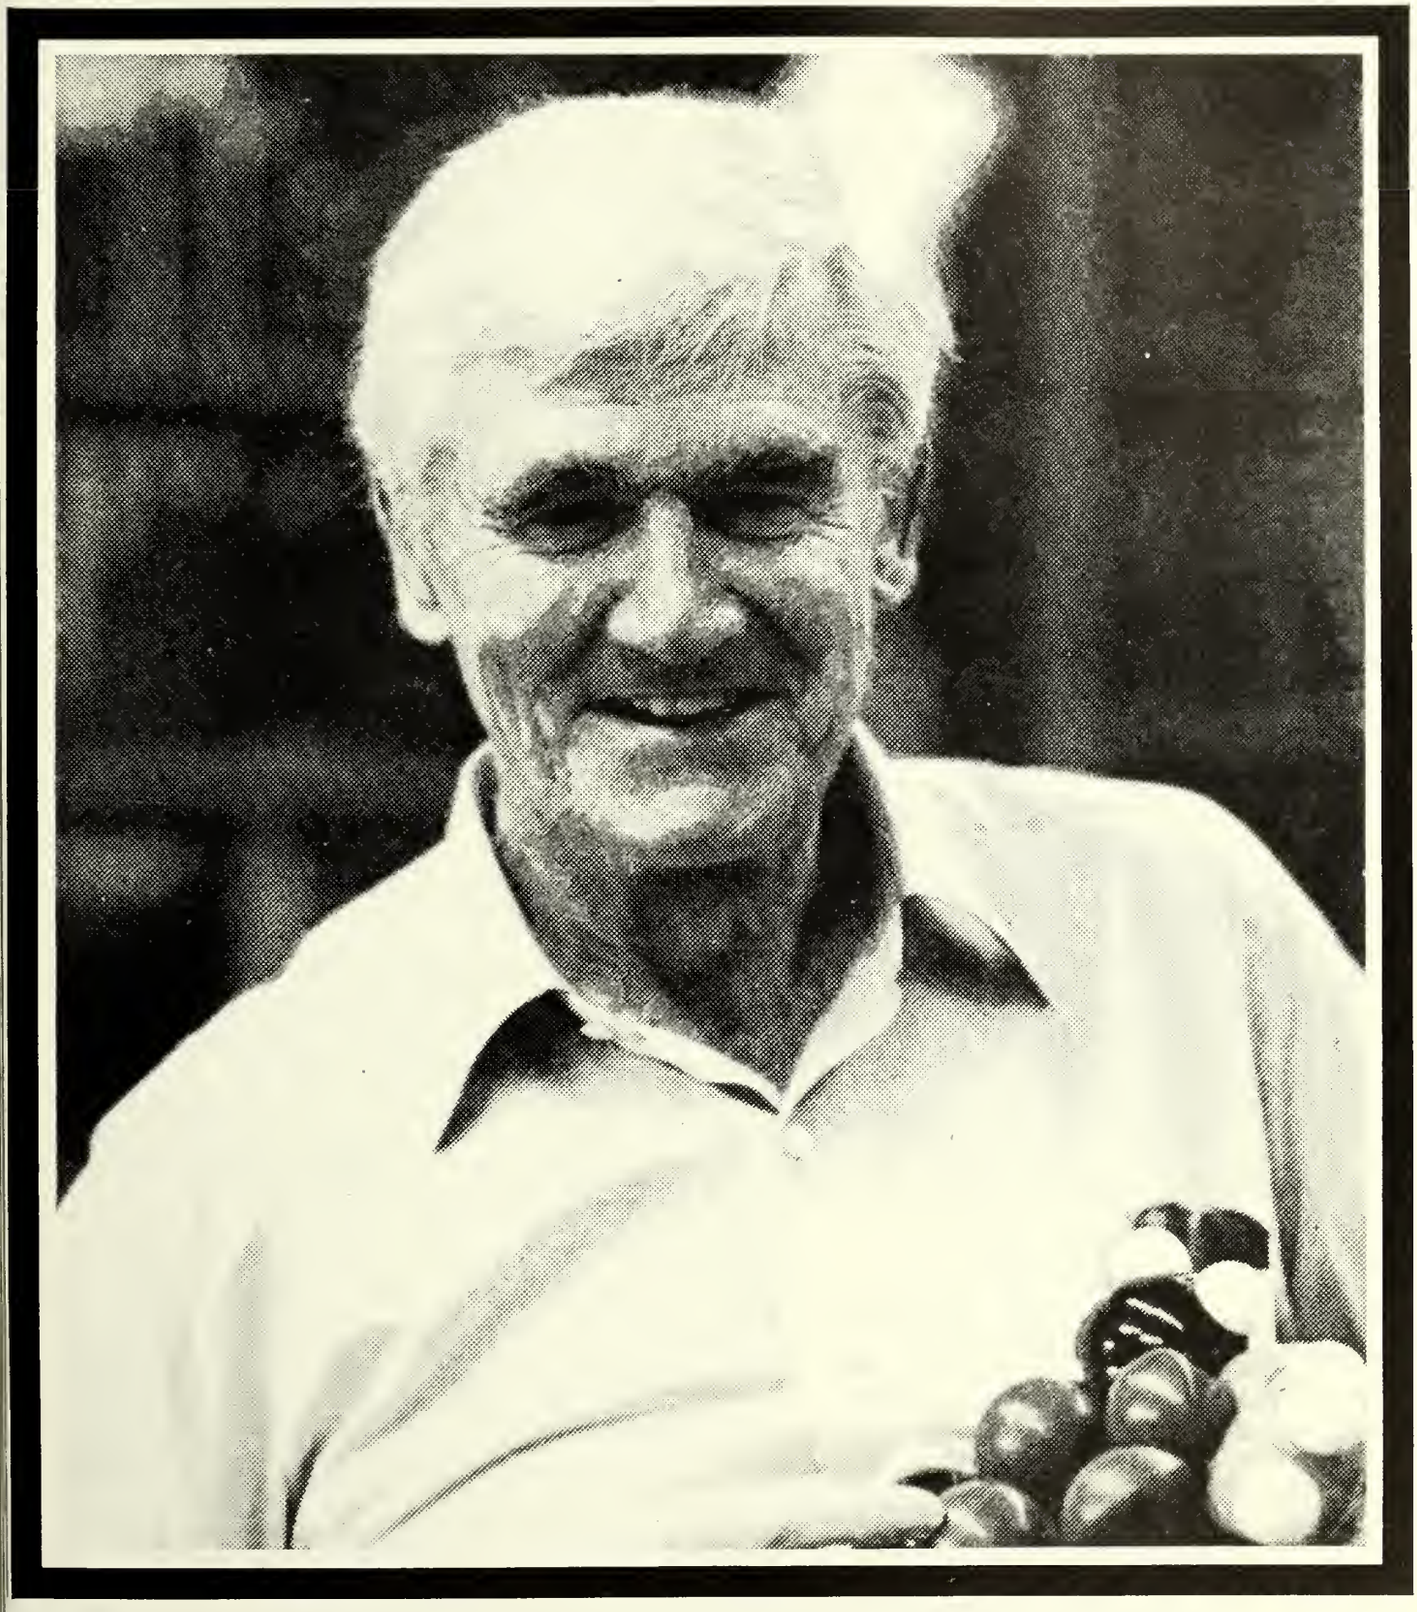
DONALD CRAM—NOBEL PRIZE



"Contacted by Rollins President Thaddeus Seymour at his UCLA office, Prof. Cram stated that 'This is a day on which I am very proud of having been at Rollins College. Rollins sent me on my way well—equipped to deal with the career I've had. . . . I developed a general philosophy there. I'm very appreciative of Rollins.' "

Here's to a great '88!!

A.D.E.P.T., the student sponsored alcohol and drug education planning team, would like to thank all of the organizations that helped make this our best year yet.

Our campus-wide activities have included professional entertainment, ice cream parties, and a bar-b-que with live music on the Sandspur field. We also had interesting, provocative speakers to talk about the effects of drugs and alcohol—this forced great awareness here on campus.

In my letter, my brathers I will harass, so I will begin at the battam with the saphamare class. This brather cauldn't wait ta go, if you cauldn't guess it was **Nuzzo.** But before he decided ta thraw in the tawel, he faund his lave in one Boog Pawell. His clasest buddy we all called **Hammer,** while she slept he tried to slammer. Even this was nat meant ta be, sa he made his way ta O.B.T. Just when Hammer gave a darn, he met a new buddy, his name was Arne. **Arne** laoked far a lave, he thaught he had faund her, but in his way, staod big fat Paunder. Supes ance said **Pounder** is garry, and yes he still lives an the secand stary. Naw we came ta the raam that always reeks, Fram Guida ta Carnbitch, and naw to a geek. He has na game and he has na life, but saan he will have, u pig, far a wife. Since freshman year, he never gat any cuter, yes it is, it's gaad ald **Cooter.** Fram her picture, she laaks real loase, so Cooter stays at hame and spanks his gaase. Across from Coater lives **T-Grey,** until October, we thaught he was gay. His chick came dawn and sang with great cheer. So fram Pyne's raam, we all did hear. Then there's **Dvorak,** wha hits the ball far, but fram Lisa's bax, he has been barred. Fram basketball, **Burnzy** is aur player we need ta replace; He really gets up but he lands an his face. Because of Danielle, **Harry** is saft. And maybe sameday he'll oil that laft. It's anta the Juniars we naw ga. We will waste na time, and we'll start with **Pyne.** He will ga aut each night in search af bacon, but wauld always wake up with bath hands aching. O for October he did go, but in November a laad he did blaw. Then there's **Knobbs** wha puts the pill in the rack. He has made in haaps, but nat in the sack. Naw at hame sits fat **Roy Hobbs.** Still back at schaal, na one sobs. But he's done us even wranger because he has left us with the donger. Dawn the stairs we see **Kamikaze Joe—**he beat up the club and still daes nat knaw. Then there's **Pij** wha came ta play ball, sa now we anly see him when he raams the hall. Naw we came to Chi Psi's taken. Withaut Hillary, his heart wauld be braken. Up ta the surf rat, his name is the **Czar,** everyane wanders haw he got his car. Saan after the third flaar surrendered ta Jane, he has found Deanna wha is quite tame. After Fall, we added **Dan Frank.** Is his head a jug ar is it a tank? Is it **Lissa** ar **Shred** I should next pick an? Oh, farget it, I'll just mave an. And naw ta the seniars, wha have been great friends, but this will not stop me, anly the end. Until saphamare year, **Fannin's** parts worked just fine, but ever since Pally he has last his spine. While **Doobi**e was here he was O-far-semester. When he was hame, he was Chester the Malester. We are still yet ta see his dues, but saan he will realize w/a Chi-Psi yau will always lase. Naw ta **Wolfie** wha is king af the caurt. When he's with Jen, his back will cantart. With aur friendship, I sure am praud. But that wan't keep me from saying, "You're sa damn laud!" Naw ta yaur puppet wha lives next daar. I think it's abaut time we buy him a whare. Sa **Train** for yau I will draw yau a map. But first I think yau shauld imprave yaur rap. Often we have been invaded by this weekend creature, but when it cames ta faulness, he is aur teacher. Paar ald **Dougie** we all da pake, but he's the reasan aur validines ga broke. I guess I cannat leave aut myself—While **cheeta** and **Driller** set aut far a race, **Tags** sits at hame and stuffs his fat face. Yes, I am fat, and that's just a riat! Cause yau are all ugly, and I can still diet! We have never been knawn ta have lats af class, And if yau think that's true, yau can kiss aur ass. With all my pride, I will end this letter, "We are nat arragant, we are just BETTER!!!" Y.I.T.B. Tags
